

# TALENT ACQUISITION SOLUTIONS

An extension of your in-house talent acquisition team for high-volume hiring !

Discover how we can help you?

Swipe to learn more →

## WHO CAN BENEFIT FROM OUR SERVICE?

- Enterprises with **high-volume** or seasonal hiring needs
- Growing companies expanding teams or entering new markets
- HR teams facing resource constraints or **hiring peaks**
- Businesses scaling rapidly or **launching new projects** or operations
- Organizations looking to extend their in-house recruitment capacity **without increasing headcount**

## EMPLOYER BRANDING & JOB MARKETING

Our service includes offering to strengthen your **Employer Brand** as an employer of choice:

- Communicate your culture, values, and growth opportunities
- Provide support and consultation on job descriptions
- Promote job advertisements via job boards, social media, and niche networks

## TALENT SOURCING & ACQUISITION

We delivers fast, targeted recruitment solutions to attract and provide qualified talent at speed.

- Tap into relevant, high-quality talent pools
- Handle screening, **interviews & assessments**
- Use CBI & VBI techniques to assess skills and cultural fit
- Deliver structured candidate evaluation reports
- Customized candidates assessment structure tailor to client's request.

## REPORTING & MARKET INSIGHTS

We also provides clear, data-driven hiring reports and market insights to support confident, informed decision-making.

- Regular hiring progress updates
- Candidate pipeline reports
- Talent mapping & salary benchmarks (on request)

## ONBOARDING & ORIENTATION

We supports seamless employee integration through structured onboarding programs.

- Design tailored onboarding plans
- Run orientation programs aligned with your organization's regulation and culture
- Help new hires integrate quickly and effectively
