WHO WE ARE

OUR VISION

We are building a more connected digital platform, PeopleHays, which provides market insights, industry trends, and career opportunities. The platform helps decision-makers gain a comprehensive understanding of labor market trends, critical skills, and business opportunities, enabling them to navigate professional journeys and business transformations more effectively.

OUR MISSION

Our mission is to become a high-quality and trusted human resources and business consulting firm operating globally, creating added value for our long-term partners through innovative solutions. We strive to make a positive impact on the community by improving labor quality and moving the workforce toward more effective solutions.

OUR VALUES

Our core values are centered around “Passion for Excellence”, which we always put on top. We provide our services with a high level of “Professionalism”, “Innovation”, and “Visionary” thinking. We believe these core values are key drivers of our success and inspire PeopleWise Vietnam to achieve our vision.

WHO WE ARE

PeopleWise Vietnam is founded on the belief that people are at the core of an organization's success. We offer human resources consulting services to partners worldwide, including Executive Search and Talent Acquisition Solutions, Staffing Management Solutions, People and Organizational Consulting Services. We are committed to delivering high-quality, cost-effective solutions with a proven track record of building long-term partnerships with leading local and multinational companies.

Why PeopleWise Vietnam?

TRUE PARTNERSHIP

Our approach with clients and partners is based on collaborative, joint-venture engagement. We work closely with clients, acting as an extension of the internal HR team, to gain a deep understanding of their business needs and support long-term partnerships. We invest time and effort to build resilient, win-win relationships with all our clients.

OUR PEOPLE

We have acquired a passionate, highly experienced team with shared core values and deep expertise. Our consultants and leaders specialize in the industries they serve. The awareness of industry trends and insights enables us to focus on attracting the most talented candidates, providing professional advisory and other relevant services.

CONFIDENTIALITY

We take our market reputation very seriously and uphold the highest standards of confidentiality for both client and candidate information. All data is securely stored in our systems, with strict controls governing access. We execute all service agreements with confidentiality clauses or non-disclosure agreements (NDAs) in place.

COST EFFECTIVENESS

We have successfully developed smart digital systems and processes that enable our organization to operate efficiently and flexibly. Our lean organizational principles allow our talented team to deliver not only high-quality, internationally professional services but also cost-effective solutions, creating a strong competitive advantage in the marketplace.

EXECUTIVE SEARCH SERVICES

We have a passionate team with shared core values and strong expertise. Our consultants specialize in their industries, understand market trends and insights, attract top talent, and provide professional advisory services tailored to the specific needs of each industry globally.

01 CONTINGENCY SEARCH

Our core business offering is Contingency Executive Search. This means that clients pay based on a success basis - once they have carefully assessed and selected the most suitable candidate for their requirements.

02 RETAINED SEARCH

We offer clients end-to-end advisory to recruit a position successfully. Through Retained Search Service, we offer the service fee based on phase of recruitment stage: Signing the contract, shortlisting, interview arrangement, and placement. We are committed to serving clients until the vacancy is filled.

03 TALENT MAPPING

Our Talent Mapping Service is designed using international standard methods, as a stage in the standard process of the Retained Search Service that helps our clients optimize costs and increase the benefits from the service.

Global Interview Assessment Methodology

We apply the Global Interview Assessment Methodology, involves utilizing Competency-Based Interviews (CBI) and Values-Based Interviews (VBI) techniques to identify key competencies, skill sets, and personality traits of candidates. By applying these rigorous assessment methods, we are able to carefully select the most suitable shortlist of candidates for the given role.

MARKET SALARY BENCHMARK SERVICE

With extensive and trusted compensation and benefits data, PeopleWise Vietnam team applies internationally recognized standard processes and uses data-driven insights regarding market practice policies by targeting peers in specific industries. The data-points are ranked by position classes (PCs) and levels to provide the comparison reports with annual salary benchmarking in the marketplace.

To provide comprehensive and reliable salary benchmark reports, PeopleWise Vietnam uses methodology based on the job matching process, with the Job Matching Guidance available via [Link](#) as the document outlines the guidance and processes for job analysis and evaluation, with key milestones as follows:

Job Analysis: This involves gathering and analyzing information about job responsibilities, tasks, and requirements. It helps in understanding job descriptions, job functions, and the necessary skills or qualifications for effective performance.

Job Evaluation: This method is applied to systematically compare and rank jobs by Position Class (PC) within the organizational hierarchy based on Career Stream and Level (CSL) descriptions, qualifications, and five factors: Communication, Innovation, Knowledge, Risk, and Impact that impacts on organizational goals.

The Benefits of Using Market Salary Benchmark

■ Data-Driven Decision-Making

Make strategic HR decisions based on market data to align salary structures and benefits offerings competitively with industry best practices.

■ Design Effective Pay Structure

Use the methodology in Job Matching and Position Evaluation, PeopleWise team supports the process of job analysis and position class ranking, help the business define effective pay ranges by levels and align with HR budget planning to achieve business objectives.

■ Market Insights

Stay up to date with the latest industry trends and organizational designs, ensuring your business is well-informed and ready to adapt to market changes.

■ Strategic Budget Planning

Develop HR strategies with action plan based on building effective annual HR budget.

■ Cost Optimization

Utilize data to manage your compensation budget more effectively, ensuring that resources are allocated efficiently for salary increases, performance bonuses, and benefits.

■ Attract and Retain Talent

By offering competitive compensation packages, the business can attract and retain top talent more effectively, leading to enhanced productivity and innovation within the organization.

■ Employee Satisfaction and Engagement

When employees are confident in the fairness and competitiveness of their compensation, it leads to higher job satisfaction and engagement.
